Prayer Groups

---

As we navigate life with the coronavirus, we are carefully and intentionally moving back to Community with one another. Here at LifeStream at Youngtown, we are excited to announce our next step forward will be *Bible Studies* and *Prayer Groups*.

Our team has been hard at work planning and preparing for a safe and welcoming area to meet. Led by Chaplain Jim, the groups will occur at various times and locations across North and South Community. Our first group meetings will be the week of Monday, October 19. Each event will be safely socially distanced, and there will be a limit of 10 participants per group meeting.

For this, and other socially distanced, congregant activities, participants will be asked to complete a waiver acknowledging the risks associated with such activities. We will continue to observe our ongoing safety guidelines: observing a 6' (socially distant) *Comfort Zone*; wearing masks at all times; and, sanitizing hands prior to activities.

As your trusted community, it is our desire to continue to share with you and your family the latest guidance from Public Health. Our goal is to continue to help keep you and your loved ones safe, and help you make informed decisions about your health and wellbeing.

If you have questions or feedback for us as we begin these steps forward, please share your thoughts at the Resident Services Office.
