Vaccine Clinic

We are excited to announce our first COVID-19 Vaccine clinic with our pharmacy partner Walgreens. **The clinic is scheduled for Wednesday, January 20, 2021 from 8 a.m. to 5 p.m.** This is exciting news, and we hope all Residents and Associates will opt-in to participate in this vaccination clinic!

For Associates wanting to receive the vaccine, please contact the Front Desk to add your name to the RSVP list. Associates will report to the Main Lobby for their vaccine. Residents who choose to participate will be vaccinated in their rooms. The booster, or second part of the vaccine, will be administered on February 17; and, any “stragglers” will be picked up on March 17.

COVID-19 Vaccine Clinic

- *When: Wednesday, January 20, 2021*
- *Where: Main Lobby for Associates & Residents in their Rooms*
- *Time: 8 a.m. to 5 p.m.*

While we'll have an RSVP list of those planning to take the vaccine, you do not need to schedule an appointment – just come to the Main Lobby anytime during the clinic's hours. As always, please wear a mask and maintain your comfort zone of 6 or more feet. You may be asked to wait outside until a spot opens. This clinic is only for LifeStream Associates and Residents.

Please note: You will not need to present a negative test result to take the vaccine. However, as with all vaccinations, you should not receive the COVID-19 vaccination if you do not feel well or you are currently sick with COVID-19. Participants will be screened at the time of vaccination by a Walgreens team member.

This is exciting news! Should you have any questions, we urge you to reach out to your Executive Director or to me at info@LifeStreamLiving.com or 623-933-8753.
