SUBJECT: COVID-19 Vaccine Clinic

Next Tuesday, February 2, we will be holding our next COVID-19 Vaccine Clinic from 8 a.m. to 5 p.m. This clinic will be offering “first shots” to those who did not get the vaccine earlier this month, as well as the second “booster shot” for those that did. It will be so great to celebrate all of us who have completed their COVID-19 vaccination!

For Associates receiving the vaccine (either the first shot or the booster), you will report to the Arizona Room. Residents getting the boosters will be vaccinated in their rooms. Anyone who gets their first shot at Tuesday’s clinic will get their booster at our next clinic, scheduled for March 2.

COVID-19 Vaccine Clinic

- **When:** *Tuesday, February 2, 2021*
- **Where:** *Arizona Room (for Associates)*
- **Time:** *8 a.m. to 5 p.m.*

You will not need to schedule an appointment – just come to the Arizona Room anytime during the clinic’s hours. As always, please wear a mask and maintain your comfort zone of 6 or more feet. You may be asked to wait outside until a spot opens in the Arizona Room. This clinic is only for LifeStream Associates and Residents.

Please note: You will not need to present a negative test result to take the vaccine. However, as with all vaccinations, you should not receive the COVID-19 vaccination if you do not feel well or you currently are sick with COVID-19. Participants will be screened at the time of vaccination by a Walgreens team member.
