Vaccine Clinic

We are excited to announce our COVID-19 Vaccine clinic is scheduled with our pharmacy partner Walgreens. **The clinic is scheduled for Monday, January 18, 2021 from 8 a.m. to 3 p.m.** This is exciting news, and we hope all Residents and Associates will opt-in to participate in this vaccination clinic!

For Associates wanting to receive the vaccine, please contact us at the Resident Services Office (623-972-2371) to add your name to the RSVP list. Associates will report to the lobby at Hines Lodge for their vaccine. Residents who choose to participate will be vaccinated in their apartments/rooms. The booster, or second part of the vaccine, will be administered on February 15; and any “stragglers” will be picked up on March 15.

COVID-19 Vaccine Clinic

- *When: Monday, January 18, 2021*
- *Where: Hines Lodge Lobby for Associates & Residents in their Rooms*
- *Time: 8 a.m. to 3 p.m.*

While we'll have an RSVP list of those planning to take the vaccine, you do not need to schedule an appointment – just come to the lobby at Hines Lodge anytime during the clinic's hours. As always, please wear a mask and maintain your comfort zone of 6 or more feet. You may be asked to wait outside until a spot opens. This clinic is only for LifeStream Associates and Residents.

Please note: You will not need to present a negative test result to take the vaccine. However, as with all vaccinations, you should not receive the COVID-19 vaccination if you do not feel well or you are currently sick with COVID-19. Participants will be screened at the time of vaccination by a Walgreens team member.

This is exciting news! Should you have any questions, we urge you to reach out to your Executive Director or to me at info@LifeStreamLiving.com or 623-933-8753.
