Vaccine Clinic

Next Wednesday, February 17, we will be holding our next COVID-19 Vaccine Clinic from 9 a.m. to 4 p.m. This clinic will be offering “first shots” to those who did not get the vaccine last month, as well as the second “booster shot” for those that did. It will be so great to celebrate all of us who have completed their COVID-19 vaccination!

We will be administering vaccines for Associates (for either 1st or 2nd shots) in the Main Lobby – PLEASE RSVP at the Front Desk. Residents will receive their shots in their rooms. Anyone who gets their first shot at Wednesday’s clinic will get their booster at our next clinic, scheduled for March 17.

COVID-19 Vaccine Clinic

- *When:* Wednesday, February 17, 2021
- *Where:* Main Lobby (for Associates)
- *Time:* 9 a.m. to 4 p.m.

As always, please wear a mask and maintain your comfort zone of 6 or more feet. You may be asked to wait outside until a spot opens. This clinic is only for LifeStream Associates and Residents.

Please note: You will not need to present a negative test result to take the vaccine. However, as with all vaccinations, you should not receive the COVID-19 vaccination if you do not feel well or you are currently sick with COVID-19. Participants will be screened at the time of vaccination by a Walgreens team member.

This is exciting news! Should you have any questions, we urge you to reach out to your Executive Director or to me at info@LifeStreamLiving.com or 623-933-8753.
