Take-out Dining

We are excited to share that beginning, Monday, March 1, we will be resuming take-out dining for both Lunch and Dinner. As in the past, pick up will be available at Hines Lodge on our South Community; and at Virt Hall on our North Community. Delivery service will continue to be available as well.

This Sunday, February 28, during meal delivery, your server will take your Monday take-out or delivery order. You can change how you want to receive your meal any day you want, just tell your server when placing your order.

Pick-Up Hours

- *Lunch: 11:30 a.m. – 12:30 p.m.*
- *Dinner: 4:30 – 5:30 p.m.*

For Take-Out Dining: Enter on the south side of the Dining Room at both Virt Hall and at Hines Lodge. Please continue to wear a mask, follow the markers and observe our *6' Comfort Zone*.

Should you have any questions, please call us at the Resident Services Office (623-972-2371) or email me at JChristian@LifeStreamLiving.com.
