Vaccine Clinic

This **Thursday, February 18**, we will be holding our next COVID-19 Vaccine Clinic from **9 a.m. to 3 p.m.** This clinic will be offering “first shots” to those who did not get the vaccine at our January 21 clinic, as well as offering the second “booster shot” for those that did. It will be so great to celebrate all of us who have completed their COVID-19 vaccination!

COVID-19 Vaccine Clinic

- *When:* Thursday, February 18, 2021
- *Where:* Community Room
- *Time:* 9 a.m. to 3 p.m.

For those Associates and Residents getting their shots (either 1st or 2nd), please contact our Front Office (602-569-0508) to schedule your vaccination slot. Anyone who gets their first shot at Thursday’s clinic will get their booster at our next clinic, scheduled for March 18. It is VERY important that if you got your first shot on January 21th, you get your second shot on Thursday.

As always, please wear a mask and maintain your comfort zone of 6 or more feet. You may be asked to wait outside the Community Room until a spot opens. This clinic is only for LifeStream Associates and Residents.

Please note: You will not need to present a negative test result to take the vaccine. However, as with all vaccinations, you should not receive the COVID-19 vaccination if you do not feel well or you are currently sick with COVID-19. Participants will be screened at the time of vaccination by a Walgreens team member.

This is exciting news! Should you have any questions, we urge you to reach out to your Executive Director or to me at info@LifeStreamLiving.com or 623-933-8753.
