SUBJECT: COVID-19 Second
Vaccine Clinic

Our next Vaccine Clinic will be held on Friday, February 26 from **9 a.m. to 3 p.m.** This clinic will be offering the last option for “first shots” to those who did not get the vaccine at our previous clinics. We’ll also be offering the second “booster shot” for those that received the first shot at our January 29 clinic. We’re looking forward to celebrating all who have completed their COVID-19 vaccination!

For Residents and Associates wanting to receive the vaccine, please contact us at the Resident Services Office (623-972-2371) to add your name to the RSVP list. The clinic will be held at Virt Hall. The booster, or second part of the vaccine reserved for those who get their first-shot at this week’s clinic, will be administered on March 26.

COVID-19 Vaccine Clinic

- *When: Friday, February 26, 2021*
- *Times: Virt Hall – 9 a.m. to 3 p.m.*

As always, please wear a mask and maintain your comfort zone of 6 or more feet. You may be asked to wait outside until a spot opens. This clinic is only for LifeStream Associates and Residents.

Please note: You will not need to present a negative test result to take the vaccine. However, as with all vaccinations, you should not receive the COVID-19 vaccination if you do not feel well or you are currently sick with COVID-19. Participants will be screened at the time of vaccination by a Walgreens team member.

This is exciting news! Should you have any questions, we urge you to reach out to your Executive Director or to me at info@LifeStreamLiving.com or 623-933-8753.
