COVID-19 Vaccine Clinic

- *When:* Friday, March 26, 2021
- *Where:* Virt Hall
- *Time:* 9–11 a.m.

As always, please wear a mask and maintain your comfort zone of 6 or more feet. You may be asked to wait outside until a spot opens. This clinic is only for LifeStream Associates and Residents.

For Associates who are still needing to be vaccinated, we encourage you to visit the [Maricopa County COVID-19 Vaccine Site](#) for several Vaccine Points of Distribution (PODS) and appointment options. We are researching options to continue to provide vaccines on-site, but for now, the Maricopa County PODS are the best option.

Please note: You will not need to present a negative test result to take the vaccine. However, as with all vaccinations, you should not receive the COVID-19 vaccination if you do not feel well or you currently are sick with COVID-19. Participants will be screened at the time of vaccination by a Walgreens team member.

Should you have any questions, we urge you to reach out to your Executive Director, Administrator or to me at info@LifeStreamLiving.com or 623-933-8753.
