

## + MEMO

**TO:** All LifeStream  
Residents & Associates

**FROM:** Donna Taylor,  
Chief Operating Officer

**CC:** Family Members

**DATE:** June 7, 2021

**SUBJECT:** Pop-up Clinics Offering the  
Single Dose Johnson &  
Johnson COVID-19 Vaccine

---

### Updates

In partnership with Maricopa County Department of Health, Midwestern University is hosting two Pop-Up COVID-19 Vaccine Clinics on Tuesday, June 8 and Thursday, June 10 this week from 8:30 a.m. to 1 p.m. both days. The clinics will be offering the single dose Johnson & Johnson COVID-19 Vaccine.

If you have not yet had the vaccine this “one and done,” single-dose option is very convenient. Appointments are preferred however, walk-ins are welcome.

Appointments for the clinic can be made by clicking the following link:

<https://phreesia.me/COVIDcommunityoutreach>

For both Residents and Associates that are interested, our Communities are looking to assist with transportation to and from the clinic. If you are interested, please let your Executive Director know so that they can get an accurate count and schedule accordingly. Associates, please let your supervisor know so they can work with you and your schedule.

### Additional Information

- \* Clinic Location: Midwestern University Therapy Institute, 5815 West Utopia Road in Glendale, just south of the Loop 101 freeway
- \* There are no out-of-pocket charges for the vaccine. Those receiving a vaccine should arrive with a face mask, official photo identification, and, if possible, an insurance card. Parking will be available in the garage across from the Vaccination Center.
- \* For additional information about the Midwestern University clinics, visit:
