SUBJECT: Monthly COVID-19
Testing Schedule

LifeStream continues to administer weekly testing to mitigate the spread of the coronavirus. With the Maricopa County positivity rate for COVID-19 now being reported below 5 percent (4.6%, [per CMS](#)), we have transitioned to a **monthly** COVID-19 testing schedule. Only those Associates that are unvaccinated will be required to test. Days, times and testing groups are noted below.

PLEASE NOTE:

It is critical that Associates be tested by our testing team at their Community on the assigned day and time noted below. Associates unable to test at the assigned day/time will need to speak with their Supervisor, and arrange to be tested the same week of the Community's testing day.

Can I be tested at an offsite location (not at LifeStream)?

Yes. All Associates MUST test in the week noted in the most current schedule. Here are two good outside testing resources we've gathered for you.

ASU Saliva Test - <http://bit.ly/SalivaTest-ASU>

Note: You'll need to set up an account to register for their testing locations. The "Agency Code" is SALIVATEST.

CVS, Walgreens, Sonora Quest, etc. - <https://www.azdhs.gov/>

Visit this link to Arizona Health Department of Health Services. Simply enter your address or zip code in the search bar and the closest locations will appear.

Note: Any testing you choose at locations off-campus must be completed on your own time and outside of scheduled shifts.

Are there any fees charged for outside testing?

While the cost for the COVID-19 test should be covered by insurance, you will be responsible for any out of pocket expenses that may be charged. PLEASE NOTE: Associates must bring their insurance cards with them to each test.

Where do I send my results?

Once you have obtained your results, you are responsible to email your results to TestResults@LifeStreamLiving.com. **NOTE: Our testing cycle is each week from Sunday to Saturday. The results must be received before the last day of the testing cycle (Saturday).**

Other Questions?

Should you have any questions about your testing schedule, please reach out to your Community's Executive Director. Questions can also be directed via email to info@LifeStreamLiving.com or by phone at 623-933-8753. We will continue to keep you updated on the testing results as we receive them.
