### Can I be tested at an offsite location (not at LifeStream)?

**Yes.** All Associates MUST test in the week noted in the most current schedule. Here are two good outside testing resources we've gathered for you.

**ASU Saliva Test** - <http://bit.ly/SalivaTest-ASU>

*Note: You'll need to set up an account to register for their testing locations. The "Agency Code" is SALIVATEST.*

**CVS, Walgreens, Sonora Quest, etc.** - <https://www.azdhs.gov/>

*Visit this link to Arizona Health Department of Health Services. Simply enter your address or zip code in the search bar and the closest locations will appear.*

*Note: Any testing you choose at locations off-campus must be completed on your own time and outside of scheduled shifts.*

### Are there any fees charged for outside testing?

While the cost for the COVID-19 test should be covered by insurance, you will be responsible for any out of pocket expenses that may be charged. **PLEASE NOTE:** Associates must bring their insurance cards with them to each test.

### Where do I send my results?

Once you have obtained your results, you are responsible to email your results to [TestResults@LifeStreamLiving.com](mailto:TestResults@LifeStreamLiving.com). **NOTE: Our testing cycle is each week from Sunday to Saturday. The results must be received before the last day of the testing cycle (Saturday).**

### Other Questions?

Should you have any questions about your testing schedule, please reach out to your Community's Executive Director. Questions can also be directed via email to [info@LifeStreamLiving.com](mailto:info@LifeStreamLiving.com) or by phone at 623-933-8753. We will continue to keep you updated on the testing results as we receive them.
